WHO IS PITTI GOLLA E CANTINA

Enoteca Pitti Gola e Cantina was born in 2008 on New Year's Eve. As previous employees Edoardo Fioravanti, Manuele Giovanelli, and Zeno Fioravanti purchased the Enoteca from its owners and began to mold it into a thing of their dreams. The wine bar is fueled by the devotion and passion to wine of these three young men. The bookshelves are lined with wines that are hand selected to their rigid standards, wines that they themselves would drink. Their love for small production, handcrafted Italian wines makes the selection incredibly unique and close to each of their hearts. In the Enoteca these wines are served by the glass and accompanied by these gentlemen's knowledge and passion for the traditional production wines of these small producers. The Wine Club was launched in 2011 with the assistance of Shannon Fioravanti, The Wine Club Director, in order to offer to our clients a way to continue the experience long after they have left the Enoteca.

HOW THE WINE CLUB WORKS

The featured labels of The Wine Club will be selected by the team of Enoteca Pitti Gola e Cantina each Spring and Fall. These bottles should be expected to come from some of our favorite Italian producers. The selections are comprised of red wines only, primarily featuring the areas of Montalcino, Chianti and Piemonte. These wines are chosen to provide our clients with access to the limited production labels that often can be found only at the Enoteca.

Each shipment will be accompanied by a detailed list of the wines included, description of the winery, tasting notes and cellaring recommendations. These descriptions help to paint a picture of how these wines were born and what it is that makes them each so very, truly unique.

To suit your personal preferences you are able to select six, twelve, twenty four or forty eight bottles per shipment and to receive shipments Semi Annually in the Spring and Fall or Annually in the Spring or Fall.

Along with the wines of scheduled shipments we are proud to offer a 10% discount to members of The Wine Club for any additional customized shippings throughout the year.
